OUR SOLUTION

UQ Echo is an interactive magic book that brings as you approach. It brings together stories from UQ's past and present — from student voices to historical moments.

Stories & Reels
Watch short videos and reels from UQ students and alumni, past and present.

Audio Stories
Listen to people's experiences, memories and reflections.

Add Your Voice
Like, comment and share your thoughts. Every interaction helps the garden grow.

A Living Garden
Each like or comment gives a flower to your tree in the garden — a symbol of all the voices, past and present.
